

GUINEA PIG TRADING

Small things. Good feeling.

Japanese stationery for memorable retail displays.

A shelf customers want to explore.

The strongest stationery displays mix useful products with color, texture and a small moment of surprise. This lookbook shows six product families that can work together without making the shelf feel crowded.

COLOR

Give customers an easy first choice.

USE

Make every product simple to understand.

DISCOVERY

Leave room for one delightful detail.

ZEBRA MILDLINER

Color that feels easy

Soft colors, simple sets and an instantly understandable gift. A natural fit for study, journaling and creative displays.

- **Easy color story**
- **Compact shelf footprint**
- **Strong repeat-purchase potential**

Ask for current colors, formats, quantities and sourcing availability.

TOMBOW MONO GRAPH

A small tool with character

A familiar pencil made more interesting through useful Japanese design details and a recognizable MONO look.

- Useful everyday item
- Good demonstration product
- Multiple model and color enquiries

Ask for current colors, formats, quantities and sourcing availability.

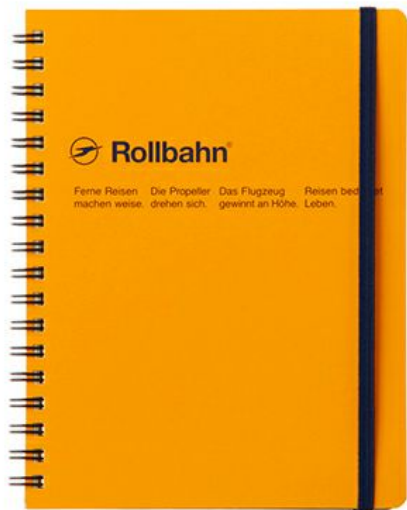

MD NOTEBOOK

Paper people remember

Quiet design, tactile paper and a calm presentation. It works as a premium notebook without feeling formal.

- **Minimal shelf presence**
- **Paper-focused story**
- **Multiple sizes and page formats**

Ask for current colors, formats, quantities and sourcing availability.

DELFONICS ROLLBAHN

Bright, practical, collectable

A bold cover, strong ring binding and everyday usefulness make Rollbahn easy to merchandise by size and color.

- **Recognizable Japanese design**
- **Color-led display**
- **Gift and personal-use appeal**

Ask for current colors, formats, quantities and sourcing availability.

PLUS DECO RUSH

A little fun for every page

A compact decoration tool for planners, cards and notebooks.
Motif-led assortments invite customers to choose more than one.

- **Impulse-friendly format**
- **Seasonal motif opportunities**
- **Easy add-on purchase**

Ask for current colors, formats, quantities and sourcing availability.

KOKUYO NEOCRITZ

Desk storage that transforms

A pencil case that becomes a standing holder. The transformation is simple, useful and easy to show in store.

- **Clear product demonstration**
- **Useful for school and work**
- **Color and size options**

Ask for current colors, formats, quantities and sourcing availability.

Build a stationery mix that feels like your shop.

Choose references from the 200-item catalogue and request a current sourcing check.

1. Share the GP item codes

2. Add quantity and budget

3. Confirm current options

Photographs are from official maker or official shop pages. Availability and terms are checked before quotation.
