How to use this catalogue

- Choose a category code, then share the intended customer, budget, quantity and destination market.
- HB-001 to HB-072 are Guinea Pig Trading enquiry codes, not official maker item numbers.
- The icons are category illustrations, not photographs of a specific product.
- Exact kits, versions, packaging, availability, prices and resale conditions are checked before quotation.
- Some Tamiya categories or products may be discontinued or unavailable in certain countries.
